

Resources

Stay in touch after the Summit! Here are some resources created by our partner organizations to help you build power, organize, and win.

Community Action Works

Need help fighting a polluter or protecting the health of your neighborhood? Explore our Resource Library for guides to get started. Reach out at info@communityactionworks.org to get connected!

Science for Georgia

Read action guides to learn how to use science for social change. Get connected with scientists ready to help out!

Georgia WAND

Explore resources on climate justice, environmental protection, and nuclear expansion in Georgia

Sierra Club Georgia Chapter

Take action on data centers with our toolkit of talking points, guidance for public meetings, and more.

National Coalition Against Cryptomining

Join a local chapter of the National Coalition Against Cryptomining - or start your own - to protect your community against the expansion of cryptomines across the country.

Resources

Third Act Georgia

Join Third Act Georgia to connect with fellow Americans over 60 fighting to protect our democracy and defend against climate change.

Black Voters Matter Fund

Check out our Resource Hub, a curated network of critical support services that makes it easy for you to find the tools and information you need to take action and uplift Black communities nationwide

Georgia Conservation Voters

Check out our actions for individuals page and see how you can help in the battle against climate change. There, you can find opportunities to volunteer with GCV as well as sending emails to legislators to let them know what you support.

Indivisible Georgia Coalition

How can you stay involved in protecting democracy after going to a protest? Check out our post to learn more!

Environment Georgia

See Environment Georgia's latest news and campaign updates, and find our most recent resources, tips and guides.
